The iPad-like EPOS system

The E700 terminal combines Electronic Cash Register (ECR) and Consumer Payments functionality into a single, ergonomic solution, ideal for retail, restaurants, hotels, supermarkets, specialty stores, cinemas and entertainment theme parks.

The iPad-like touch screen with smart automatic brightness function is ergonomically designed to improve viewing, ensuring users and shoppers get the best experience when interacting with it. Built with hybrid card reader, cameras and multiple security layers, customers can pay fast and safe, using traditional or alternative payment methods.

PAX's E700 is supported by the PAXSTORE open software distribution platform, a global marketplace hosting 3rd party business apps and cool EPOS solutions for every kind of retailer business.
